

MODSIM World 2011 Conference and Expo
Author Release/Permission Form
(Papers/Presentations Having No NASA Authors)

First author (please print) \_\_\_\_\_

Title of paper \_\_\_\_\_

Title of presentation \_\_\_\_\_

As the first author and/or as an authorized official of the first author of the above-described work, I acknowledge and agree to each of the following:

- I. Clearance
II. Publication Status
III. No-Infringement
IV. Permission to Publish

The first author and/or authorized official of the first author is responsible for coordinating input for papers and presentations having multiple authors, guaranteeing that all authors agree to the terms set forth below.

I. Clearance

This work is UNCLASSIFIED. It has been cleared for public release. All necessary approvals (internal and external) have been received from the appropriate company (ies) and/or government agencies.

BY: Signature of First Author /Authorized Official Date

NAME/TITLE: Printed Name/Title of Person Signing

II. Publication status

This work has not been previously published, wholly or substantially. It is not currently under consideration for publication elsewhere.

BY: Signature of First Author /Authorized Official Date

NAME/TITLE: Printed Name/Title of Person Signing

III. No-Infringement

This work represents original work by the author(s). No portion of the work is covered by a prior copyright. For any portion that is copyrighted, the author has obtained permission for its use and any and all such permissions are in writing and attached to this form. Image releases (permissions) have been obtained for all human likenesses appearing in this work. Further, this work does not infringe any trademark, patent, trade secret, proprietary rights or other intellectual property rights of any person, nor does it contain any material that is defamatory.

BY: Signature of First Author /Authorized Official Date

NAME/TITLE: Printed Name/Title of Person Signing

IV. Permission to Publish

Permission is hereby granted to the United States Government, as represented by NASA, to publish the work, along with any associated materials discussing or describing the content of the work, in proceedings for MODSIM World 2010 Conference and Expo. The proceedings will be published by NASA as conference publications (CPs) - the papers in one CP and the presentations in another CP. The U.S. Government is also hereby granted an irrevocable, non-exclusive, royalty-free, world-wide license to reproduce, prepare derivative works, distribute copies to the public, and display publicly copies of the work and other associated materials to the conference proceedings in print and other formats, including any electronic formats.
